

WSDOT Construction Update for Snohomish County Highways

Edition 26, June 16, 2006

In this issue:

- Broadway left-hand exit closes; use new right-hand exit starting June 27
- Snoqualmie Pass – new design, new road, your opinion counts

Broadway left-hand exit closes; use new right-hand exit starting June 27

Weather permitting, WSDOT will open the new right-hand exit to Broadway Avenue on Tuesday, June 27. Crews will close the left-hand exit to Broadway Avenue that same day. Drivers must pay very special attention to this change, as the new right-hand exit is located approximately ¼ mile earlier.

Next week crews will prepare to make the switch by finishing the new bridge and completing the pavement to connect the new exit ramp to Broadway Avenue. Wet weather on June 27 may delay the opening of the new exit and the closing of the old exit.

Snoqualmie Pass – new design, new road, your opinion counts

What happens on I-90 can send traffic to US 2. That's why we want your opinion on fixing I-90 at Snoqualmie Pass. Engineers at WSDOT identified a preferred design for widening I-90 at the pass. We want to know what you think. WSDOT will hold a live virtual open house June 20 from 5:30 p.m. - 8 p.m. [Log on](#) during those hours to look at the plans and talk directly to our engineers.
